A Circle of Care Project

Providing Help, Healing & Hope

With the support of our churches and people like you, the Oklahoma United Methodist Circle of Care provide for hundreds of children, youth and families each day. Today, we are:

- * Keeping six women with 19 minor children from homelessness at our Pearl's Hope ministry in Tulsa;
- * Supporting over 150 foster homes that provide Christian love and care for over 350 children who cannot be with their families, and offering support and prayer for over 150 children adopted into "Forever Homes" through our Child SHARE and Holsinger Home ministries;
- * Providing structured Christian care to more than 20 children under the age of 16 at our Children's Home and our Boys Ranch;
- * Opening home and hearth to more than 40 youth in our Transitional and Independent Living Programs for youth between the ages of 16 and 21 in Tahlequah and Gore; and
- * Following more than 30 youth for a year as they re-enter communities across Oklahoma as they transition into adulthood.

1000 Can Make a Difference

The need for Circle of Care's services continues to grow, at a time when the economy is creating hardships for all nonprofit organizations. Over the past year, Circle of Care has met the challenge through sacrifice and innovative restructuring, but the best way to meet the growing demand for our services without sacrificing quality is to partner with you to increase our available resources.

That's why we're embarking on a campaign to recruit 1000 new donors willing to pledge \$1000 per year for the next three years. That's \$1 million, giving Circle of Care the ability to meet the growing needs of Oklahoma's at-risk youth, children and families.

It Means Helping More Children, Youth and Families

\$1 million in new revenue each year means Circle of Care could:

- Double the number of Child SHARE foster homes, or more than 300 safe, loving homes statewide
- Expand our Independent Living Program statewide, offering hundreds of youth a transition into adulthood and the chance to earn a college degree
- Open an additional cottage to house homeless women and their children at Pearl's Hope transitional program.

\$1000: A Manageable Sacrifice

Giving \$1000 yearly sounds like, and is, a large commitment. But look at it this way - \$1000 breaks down to **\$84 per month**, or **\$19.23** per week. Take a look at the attached pledge card for a list of convenient payment methods.

1000 X \$1000 = Help, Healing & Hope

Can you become ONE OF THE THOUSAND? Can you help us find others who can? In Isaiah 60: 22 we are told that "A little one shall become a thousand, and a small one a strong nation: I the LORD will hasten it in his time."

If you can "become a thousand..." you can help our "small ones [become] a strong nation:", and "the Lord will hasten it in His time." The Lord gives us abundance so that we might help those in need. Can you become ONE OF THE THOUSAND?
